Swimming Pools

- a. Pool equipment shall be placed inside a service yard.
- b. Top of pool construction may not be over 2' above existing grade unless integrated into terraced construction and with ACC approval.
- c. Backwash is not permitted to be discharged into the sanitary sewer system, storm water sewer system, or onto the golf course, and must be contained on the lot.

General Guidelines

1. A site plan showing exact location, complete construction details and a landscape plan are required with all pool submissions.
2. Pool equipment, tools, hoses, chemicals, etc. are to be located in a service yard type enclosure or beneath an enclosed elevated deck surrounded by landscaping. Pool drain hose is to be located to assure drainage remains on subject property and is not to adjoining properties//amenity/easement areas. Pump motor location is to provide minimal noise disturbance to adjoining properties.

Refundable Compliance Deposit is \$500.00
