Sunday, June 2nd - 6 p.m. until...
Crescent Pool Pavilion

POT LUCK POOL PARTY DIRECTIVES: (IN NO PARTICULAR ORDER)

1. **HAVE FUN.** This party is a way for residents of the Crescent to socialize with one another. Towards that end please make room at your table for newcomers to our community. Don't forget to introduce these newcomers to any and all. We would like the warmth of our community to shine through.
2. Because of the usually large number in attendance, the committee cannot **SAVE** tables for various groups and or families. It is on a first come first serve basis. **MINGLE. MEET NEW PEOPLE.**
3. The **POOL AREA AND PAVILLION WILL CLOSE AT 5:00 ON SUNDAY-----**remember this is not a private party but an event open to the community members who have **SIGNED UP.**
4. **BYOB - bring your own booze or DRINKS, but NO GLASS IN THE POOL AREA OR PAVILLION.**
5. There are only a specific number of tables and chairs to go around and with the great response we may have, you might consider bringing your own beach chairs or even a folding table-----eating and drinking and dancing and swimming happen everywhere.
6. There will be the band **TARGET** for your listening pleasure and **JACK FROST ICE CREAM** for your eating pleasure.
7. Regarding the food-----**ENTREE** food only---serving 4-6 people---unless your family consists of 8 or 10 or more then we ask that you make your entrée sufficient enough to feed that number. All food is put on the table and it is self-serve buffet style. Please bring **TABLESPOON** size serving spoons to control portion size thus giving everyone a sample of what is available. Taking a sample size portion of some of the foods brought will most definitely fill a plate.
8. The pool is open and you are encouraged to enjoy a swim.
9. **WEATHER-----**this is the most important factor of the day. Please check your e-mails for any alerts that may have to be sent at the last minute.
10. **HAVE A GREAT TIME.**
